Counsels for IEPA and Midwest Generation are reaching out to the IPCB Hearing Officer to file the joint motion for remand of the Waukegan CAAPP appeal SM permit.

We have done everything we can do now and will continue to do everything we can in an attempt to get the motion heard and granted by the Board at their 6/16/2016 meeting.

We will keep you informed as to whether we can issue on 6/16/2016 or not once we hear back from counsels.

Thanks for all your assistance in this matter as it is one more step closer to everyone's end results. We look forward to our continued discussions on these permitting actions as they proceed.
